

ALDEN FARR - I have lived in Brigham City for the past 26 years with my wife Cheryl. We have raised 4 children in this wonderful community. I worked for Brigham City Corporation in the Electric Department for 5 years before changing professions. I have been self-employed for the past 21 years as a financial advisor. My office is located in Brigham City. I have had the opportunity to serve on the City Council for the past 4 years and hope to continue to represent the citizens again for another term. I do not have any political agenda other than receiving feedback from residents and then trying to do what I think will be in the best interest of the citizens of this community. Thank you for your support.
