

COURTNEY THOMPSON CANDIDATE FOR CITY COUNCIL

My name is Courtney Thompson, I am 28 year old. I was born in Fort Worth, Texas and raised in a small town Bonham, Texas. We moved to Utah due to the military when I was a teenager. I have lived in Brigham city for 6 years, I followed my dream and opened my store on Main Street here in Brigham. My husband has been a Brigham city firefighter and EMT for 8years. As a local business owner I feel that we as a community need more support for local business and more local events and entertainment all while being financially responsible and having the best interest at heart for the community. We need to think about the future and growth of Brigham and how it will effect the younger generation. As a mother of a 8 year old son I want to focus on better things for the younger children. As a wife of a firefighter and a daughter of a detective I am a big supporter of EMS, law enforcement and public safety. I hope that the community will rally behind me, and help me make a great city even greater.
