

DJ Bott
Candidate for City Council

I am Dennis (DJ) Bott and I am running for a seat on the Brigham City, City Council. I go by DJ to avoid being confused with my father whom I share the name with. I am 47 years old and have lived in Brigham City for 32 of the 47 years I have been around.

I have been married to Kimberly Bott for 25 years. We have 4 fantastic children and 2 1/2 grandchildren. My family is #1 to me.

I own, with my 2 brothers, Bott and Sons Monument Co. We are 5th generation owners and we work all over the area helping family to remember. We are Members of the Chamber of Commerce and I served as it's President in 2008. I love local business'

I am active in my religion, the Boy Scouts and my community; helping with local teams, schools, clubs and our youth. I love Brigham City

I am running to simply serve. I am eternally positive, I don't like yes men and love to work with people that think differently than me. I consider myself thoughtful and fair and I am accessible. Now, do your duty, get informed and VOTE.
