If you are planning on joining us for lunch, you need to call or sign-up **at least 24-hours in advance**. **This does not include calling the morning of the meal.** It is hard to serve everyone when we don't have a correct count. We enjoy having everyone come to lunch, however, we need to be able to prepare for the individuals who have taken the time to follow the policy and sign up on time. If you do not give us at least 24 hours notice, we cannot guarantee that you will receive the same food we are serving for the day. You will be given a different color of meal ticket and, if needed, we will be happy to heat up a frozen meal from the kitchen.
