

Beautiful Brigham City-
Your Future is Here!

MAYOR'S OFFICE

May 19, 2020

Citizens of Brigham City

I am continually awed by the ability of our citizens to come together and treat each other with kindness and compassion through this difficult time.

We have moved into the “yellow” phase of the State of Utah guidelines for Covid-19 and will start to see more and more things opening up. Please continue to respect one another and follow social distancing as set forth by the State of Utah and the Health Department.

I am confident that as we continue to work with one another, we will be able to return to our normal way of living soon.

Thank you so much for your support.

Sincerely,

Mayor Tyler M. Vincent
