

Peach Days Deadline

Temporary Business Licenses:

Friday, August 23, 2019

Anyone desiring to set up a retail booth outside of the designated Peach Days T-Zone may submit an application for a temporary business license. The proposed booth must be located on the pavement/parking lot of a commercial property. It cannot be on or blocking the sidewalk or in the street.

Requirements: a completed application, a letter of permission from the property owner, and a simple drawing of how and where your booth will be set up on that property. If you are a mobile food vendor, we will also need a copy of your Health Department permit and your annual fire inspection report.

Contact: Carolann Chalfant, Business Licensing @ 435-734-6617 or cchalfant@bcutah.org or come into our office at 20 N Main, 2nd floor, for an application and to pay applicable fees.

We will NOT accept any applications after August 23rd.
