Partners and Stakeholders: In an effort to answer questions and keep you informed about the Bear River Health Department's response during this COVID 19 outbreak, we will try to provide you with a daily situation update Monday through Friday. If pressing issues arise during the day or on a weekend we will notify you at that time rather than waiting for the next daily update. Feel free to share this update with your partners.

Bear River Health Department supports the orders and guidance provided by our federal and state leaders. Copies of all orders and guidance documents can be found on our webpage.
