

COVID-19 Situation Report

April 8, 2020

www.brhd.org

Partners and Stakeholders: In an effort to answer questions and keep you informed about the Bear River Health Department's response during this COVID 19 outbreak, we will try to provide you with a daily situation update Monday through Friday. If pressing issues arise during the day or on a weekend we will notify you at that time rather than waiting for the next daily update. Feel free to share this update with your partners.

Bear River Health Department supports the orders and guidance provided by our federal and state leaders. Copies of all orders and guidance documents can be found on our webpage.

Cache	28	0	17	11	3	0
Rich	0	0	0	0	0	0
Totals	41	2	25	14	6	0

BEAR RIVER HEALTH DEPARTMENT UPDATES:

Governor Herbert issued an executive order today requiring that people entering Utah must provide their COVID-related symptoms and recent travel information to the state. More information should be available from the governor's office in the near future.

DID YOU KNOW?

The Center for Persons with Disabilities at USU, along with the College of Engineering, are producing face shields that can be used by health care workers in our area. The group is looking for donations of unused 8.5 x 11 inch clear transparency film/overhead projector sheets. This is a great example of how our community members are thinking outside the box to assist in the fight against COVID-19. The full story can be found at <https://www.usu.edu/today/story/usu-and-community-join-to-provide-protective-health-care-equipment>.
