

# T-BALL

*The purpose of this league is to teach all the participants the basic rules of the game as well as develop recreational and social skills.*

1. It is the home team's responsibility to provide the Tee.
2. All games will be: 50 minutes long with the timer starting at the scheduled game time, so please be ready to play at scheduled game time.
3. Coaches are responsible for managing their lineup and the field. Home plate will be managed by a staff member.
  - a. Please place only 6 players in the infield with extras in the outfield beyond the baselines. This teaches the positions better and avoids overcrowding.
4. Only coaches with badges will be allowed on the field. When the games are finished please give your badge back to a staff member.
5. If a player gets out they must return to the dugout; they can't keep running the bases. We are not playing three outs, but we do want the players to learn that when they are called out they have to sit down.
6. Every player will bat each inning. The last batter on the lineup may run all the way around the bases until they are put out or score.
7. To help keep our parks and fields clean we'd appreciate it if you as coaches would help make sure that all wrappers and game treats are thrown away after the games.
