

## **Thomas W. Peterson Candidate for City Council**

Thomas W. Peterson was born in Brigham City, Utah. He spent his formative years in Perry, Utah. The positive culture of being raised in the Brigham City area has strongly influenced his life. After graduating from Box Elder High School in May of 1996, Thomas Peterson dedicated two years of his life as a missionary for The Church of Jesus Christ of Latter-day Saints, serving the people in the South Africa Cape Town Mission. After two years of faithful service, he returned home and took the necessary steps to become a licensed electrician. He was also privileged to marry the love of his life, Jodi, in December of 2000 and now have four children.

Thomas W. Peterson's love and respect for the Brigham City community influenced him to work and live in beautiful Brigham City after his marriage. He has been deeply engaged in the community ever since he made this decision. In 2005, he became employed as the Building Inspector for Brigham City. He worked in this position until 2012 when he took a position as the Box Elder County Building Official. In 2015, he left that position to pursue his current position. He is currently employed as the Assistant Building Official for the State of Utah. He is also the President of his own small business, Peterson Electric.

During his many years of employment in the Brigham City community, Thomas W. Peterson has also been actively engaged in local and state public service. He has been an active member of the Box Elder County Sheriff Search and Rescue team for 9 years. Additionally, he served 2 terms as Chairman for the Box Elder County Republican Party. He is, at present, serving as President on the Board of Directors for the Utah Chapter of the International Code Council and on the Board of Directors for the International Code Council. Councilman Thomas W. Peterson was privileged to be elected to the Brigham City Council in November of 2013. He has continued to serve faithfully for his church in various positions, many in which he helps the youth of Brigham City. He has felt extraordinarily blessed with the opportunity to serve on the Brigham City council for the past four years. It is his great desire and hope to be able to continue his service to this community.

Councilman Peterson has lived in Brigham City for 15 years, but it has always been home to him. It is his strong conviction that it is the responsibility of every citizen in this great city and nation to give back more than they receive. While it may be impossible to give back more to Brigham City than it has given to him, he feels it is his duty to try his best to do so. He wants everyone within Brigham City to be influenced by the strong, uplifting culture it has to offer; the same culture that shaped him into the man he is today. The future of Brigham City will be the children who live and play here. Councilman Peterson wants the future of Brigham City to be as bright as, or even brighter, than his past in this magnificent city. The future of our city's children

is vital to accomplishing this goal. This is why he he wants to serve another term on the city council and why he feels the urgency to be involved in helping to insure that Brigham City will continue to be the best place to live, work, and play.
