

# Star Part Quilt Pattern

Size: 54" x 54"

Jelly Roll Friendly | Confident Beginner

## Introduction

Hi! I'm so excited you're making this pattern.

This is one of those quilts that comes together fast but still looks like you spent way longer on it (we love that). It's beginner-friendly, super fun to sew, and totally doable in a day if you're in the zone. I originally designed it with a jelly roll in mind, but honestly, this pattern is really forgiving. You can use yardage for a more planned look or go full scrappy and just have fun with it.

I've included instructions for a throw-size quilt using either a jelly roll or yardage, plus a single-block version with all the measurements you'll need if you want to mix and match fabrics and make it your own.

### Before Getting Started:

- Read all of the instructions first.
- RST stands for Right Sides Together.
- WOF stands for Width of Fabric.
- Press all seams open.
- Seam allowance is a scant  $\frac{1}{4}$ " unless stated otherwise. It is very important that you have a consistent scant  $\frac{1}{4}$ " seam for this pattern to be the correct finished size.

---

## Fabric Requirements for Throw Sized Quilt

|                   | For 42" WOF                                                                            |
|-------------------|----------------------------------------------------------------------------------------|
| Main Fabric       | (1) Jelly Roll or<br>(9) $\frac{1}{2}$ yard cuts into (40) $2\frac{1}{2}$ x WOF strips |
| Background Fabric | $2\frac{1}{2}$ yards                                                                   |
| Binding           | $\frac{3}{4}$ yard                                                                     |
| Backing           | $3\frac{3}{4}$ yards                                                                   |

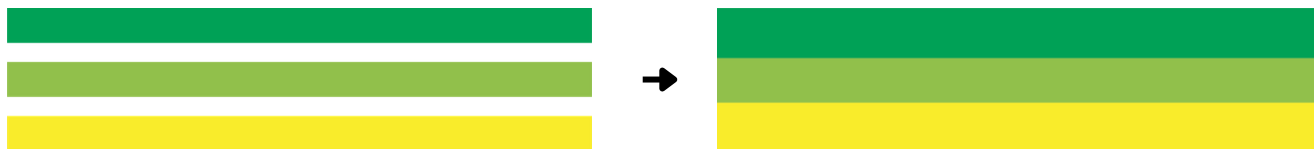

## Cutting Instructions for Throw Sized Quilt

|                          | For 42" WOF                                                                                                                                                                                                                                                                                                                                                                  |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Background Fabric</b> | <p>(2) WOF x 6 ½"</p> <p>Subcut to:</p> <ul style="list-style-type: none"> <li>• A- (9) 6 ½" squares</li> </ul> <p>(4) WOF x 4"</p> <p>Subcut to:</p> <ul style="list-style-type: none"> <li>• B- (36) 4" squares</li> </ul> <p>(6) WOF x 3.5"</p> <p>Subcut to:</p> <ul style="list-style-type: none"> <li>• C- (72) 3.5" squares</li> </ul> <p>ADD BORDER MEASUREMENTS</p> |
| <b>Binding</b>           | (6) 2 ½" x WOF                                                                                                                                                                                                                                                                                                                                                               |

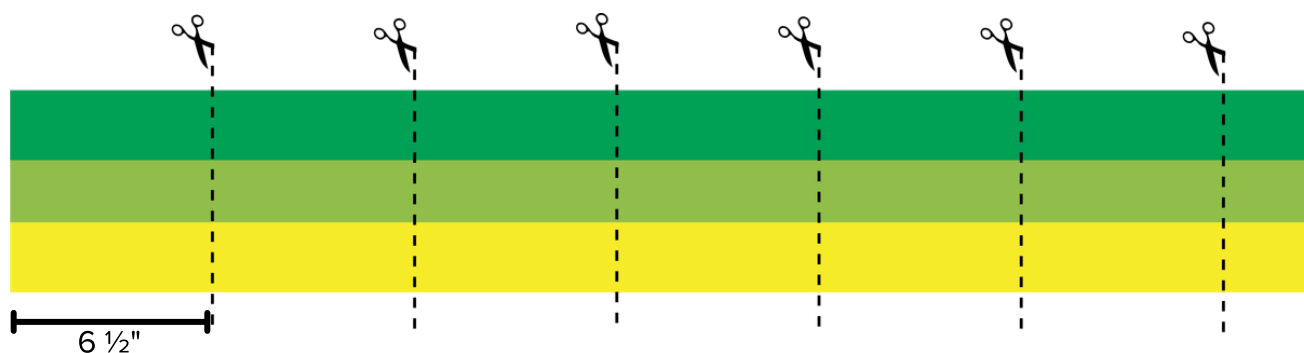

## Quilt Top Instructions

### Make Strip Blocks

1. Arrange (3) 2 ½" x WOF jelly roll strips with the long edges together. Sew them together lengthwise, then press seams open. Make (13) strip sets.

2. Subcut each strip set from Step 1 into (6) 6 ½" squares.

3. Repeat for all (13) strip sets until you have a total of (78) 6 ½" strip blocks.

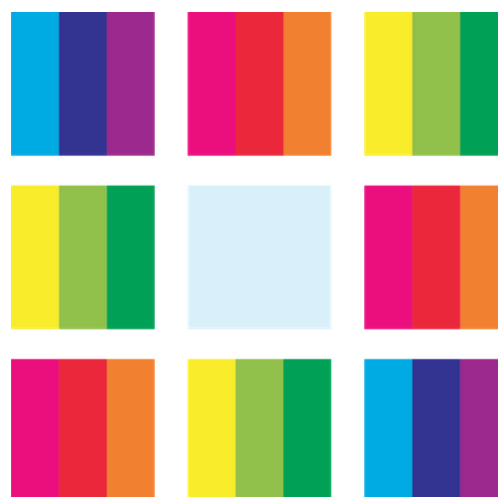

Make 78

### Prepare Star Blocks

1. Using (8) strip blocks and (1) A background square, arrange them according to the graphic to the right. Make sure all stripe directions are running up and down.

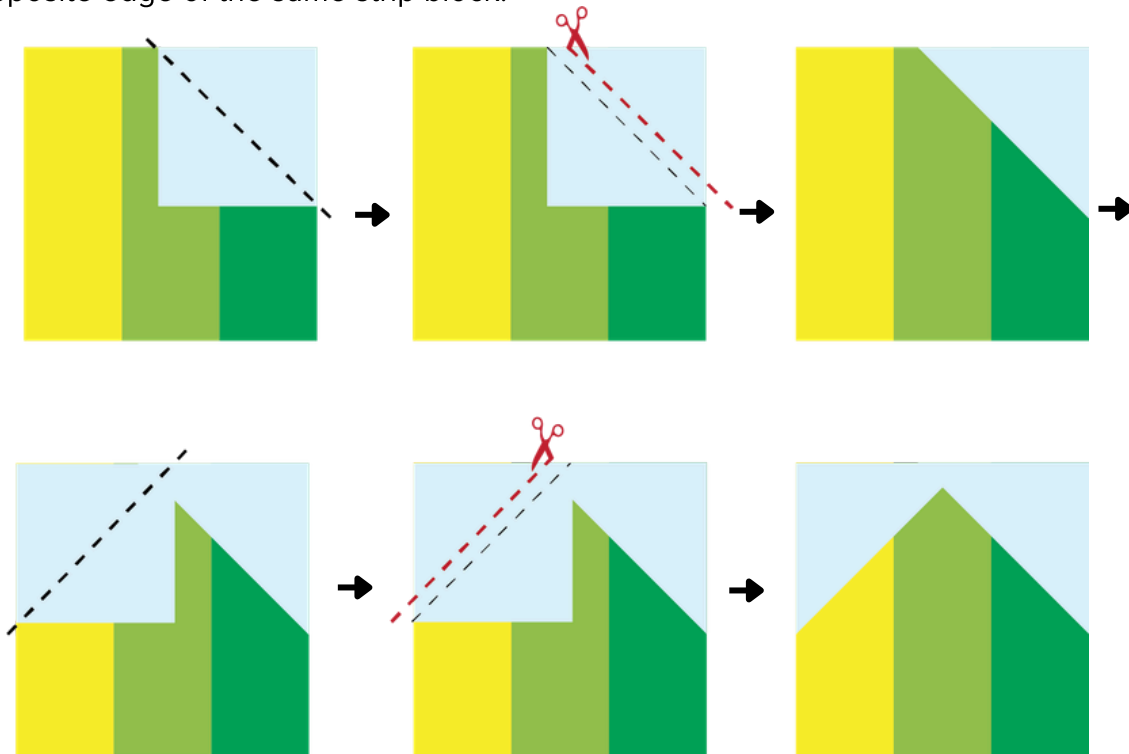

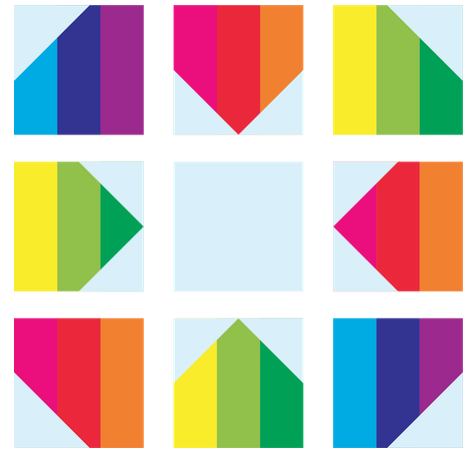

**Note:** For the next steps, pay close attention to the direction of your stripes. It's easiest to work on one block at a time so nothing gets flipped or mixed up.

## Sew Star Point Blocks

For the star blocks, pay close attention to how the background pieces are positioned. Use the right graphic as your guide.

1. Draw a diagonal line on the wrong side of (8) C background squares. Place (1) C square right sides together (RST) on the edge of a strip block, making sure the drawn line is positioned correctly (see graphic).
2. Sew directly on the drawn line, then trim the seam allowance to  $\frac{1}{4}$ ". Press the seam open.
3. Repeat Steps 1–2 with a second C square on the opposite edge of the same strip block.

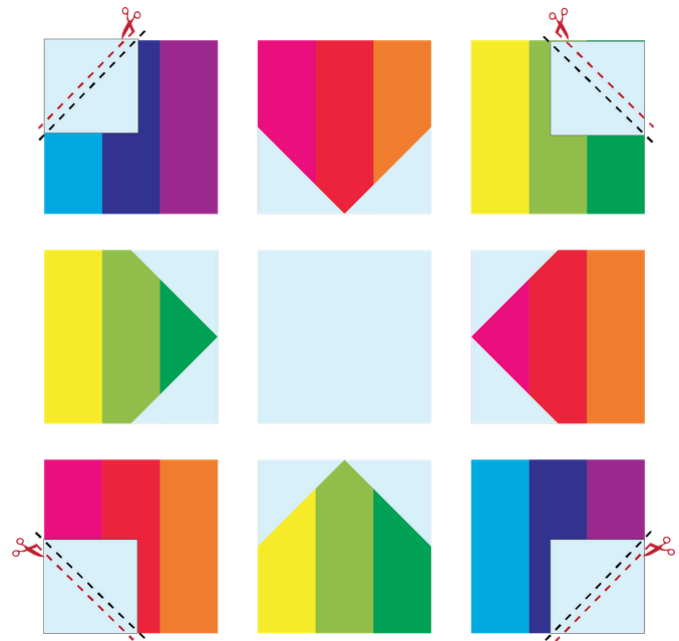

For each star block, you will have:

- (2) pieces with stripes running up and down
- (2) pieces with stripes running side to side
- Use the graphic to the right as a guide.

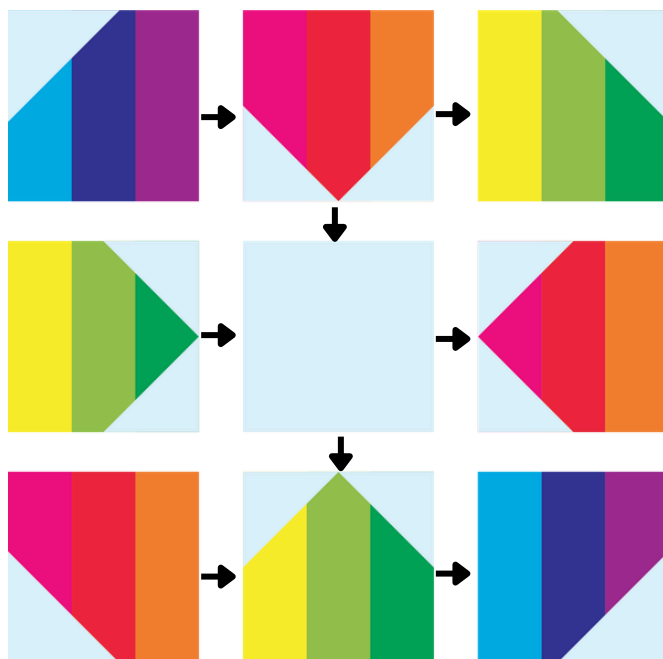

## Sew Corner Blocks

1. Draw a diagonal line on the wrong side of (4) B background squares. Place each square RST onto the corner of the strip blocks according to the graphic. Make sure the diagonal line is positioned correctly.
2. Sew on the drawn line, trim the seam allowance to  $\frac{1}{4}$ ", and press the seam open.

## Assemble Star Blocks

1. Arrange your star point pieces, corner pieces, and center square back into the star block layout (use the graphic as a guide).
2. Sew the block together in rows first. Then sew the rows together, pinning at the seams to keep everything aligned. Press seams open.
3. Each block should measure  $18 \frac{1}{2}$ " unfinished. Make a total of (9) star blocks.

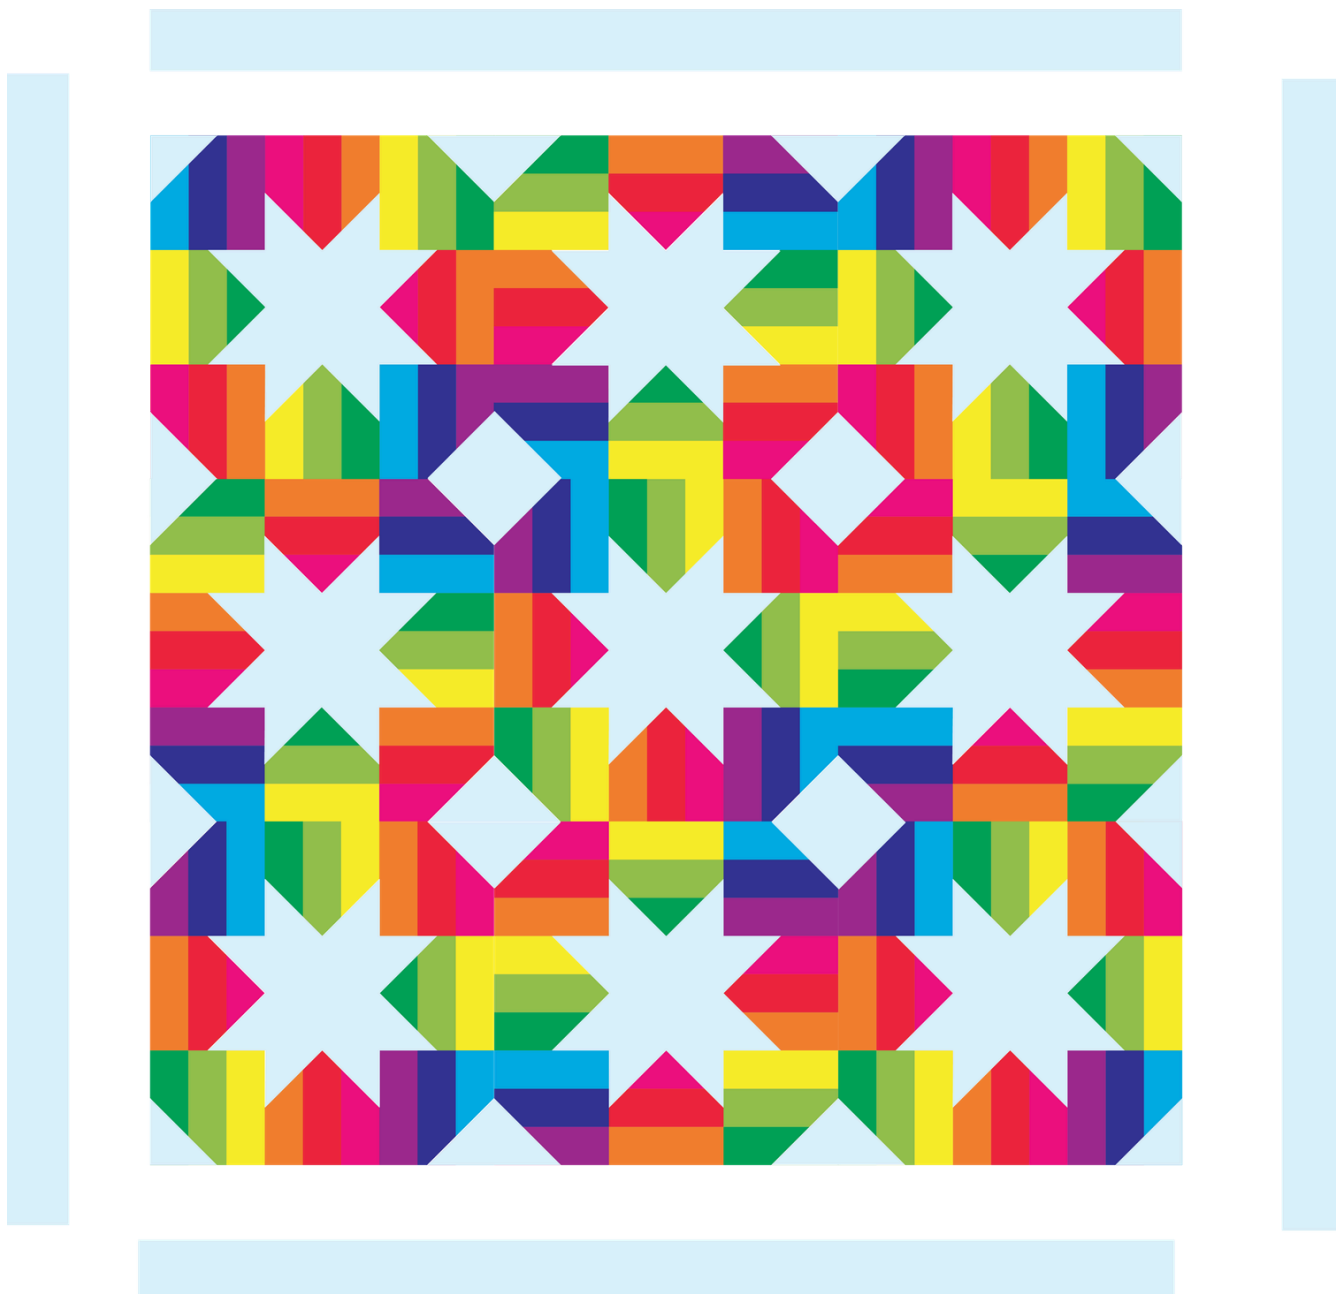

## Quilt Assembly

1. Lay out your blocks in a  $3 \times 3$  grid as shown in the graphic. Feel free to rotate blocks to play with stripe direction and create movement in your quilt.
2. Sew the blocks into rows, pressing seams open. Then sew the rows together.

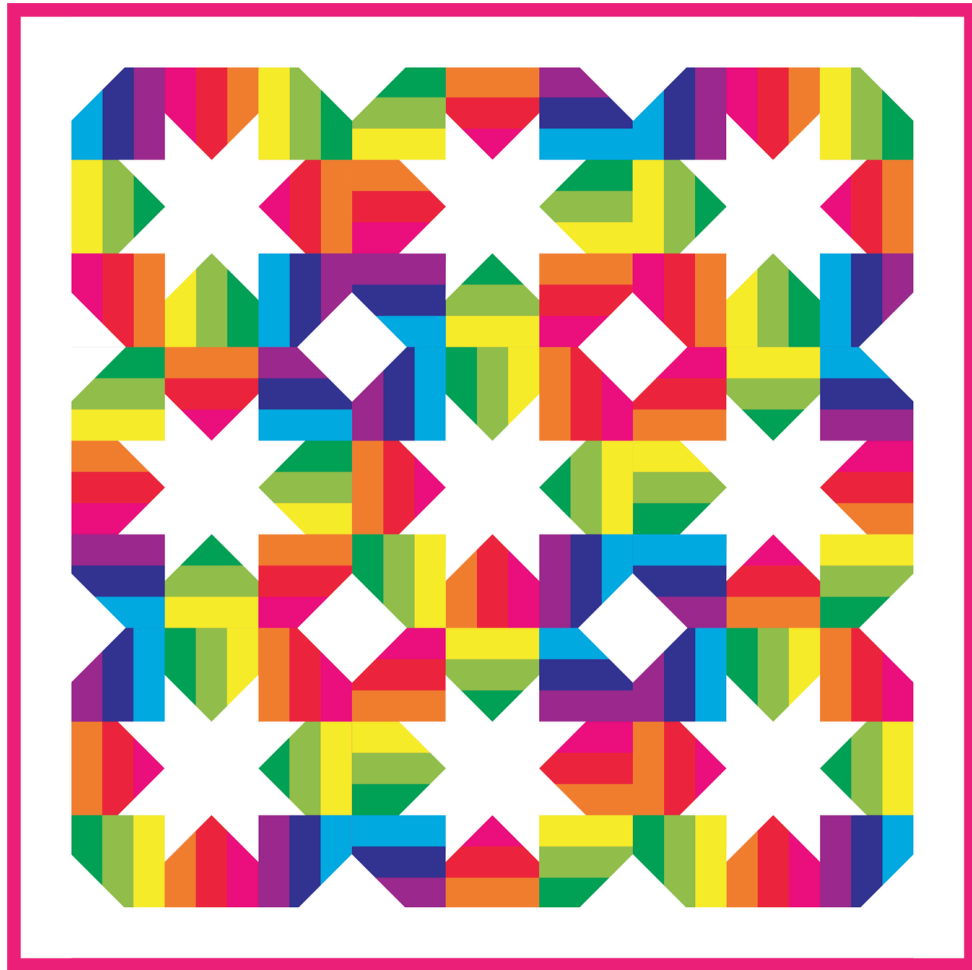

## Add Borders

1. Pin (2) E border pieces to the left and right sides of the quilt top, matching raw edges. Sew using a  $\frac{1}{4}$ " seam allowance. Press seams open or toward the border.
2. Pin (2) D border pieces to the top and bottom of the quilt, matching raw edges. Sew using a  $\frac{1}{4}$ " seam allowance and press seams open or toward the border.

## Finishing Quilt

Quilt as desired. For the binding, join binding strips together and bind as desired.

Use hashtag #StarPartyQuilt and tag us when sharing your quilt on social media! We would love to see your beautiful creation!
