Instructions-

- Read all instructions carefully before cutting.
- Use 1/4" seam allowance unless otherwise stated.
- Press seam allowance as shown by arrows.
- I recommend starching fabric before cutting. It will make cutting and sewing easier, especially when working with smaller pieces.
- WOF means width of fabric. (Based on 42" wide fabric.)
- FQ means a fat quarter cut of fabric.

Block Assembly

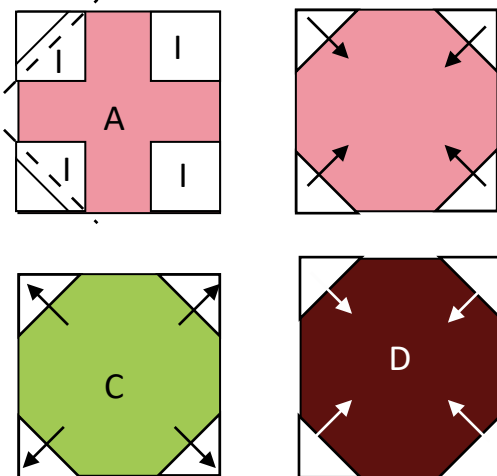

Follow the steps below to assemble the block. Instructions shown are for the assembly of a 9" x 18" finished block. Use 1/4" seam allowance and press seams as shown by arrows.

Prep work

Draw a diagonal line on the back of each of the 1" and 1 1/2" background squares.

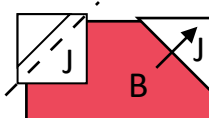

Step 1

Place the 1 1/2" background squares in the outer corners of the light pink, mint green and brown cut pieces per diagram. Stitch along line, trim and press.

Step 2

Place the 1" background squares in the outer corners of the of the red rectangle. Stitch along line, trim and press.

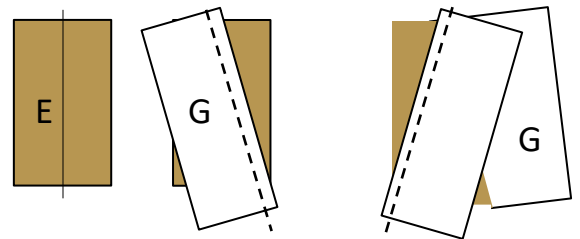

Step 3

Arrange the background rectangles on opposite sides, stitch and press.

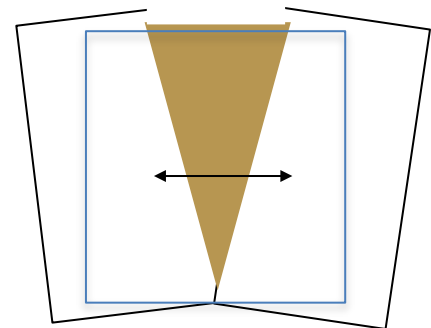

Step 4

Fold in half the 2 1/2" x 5" tan rectangle to find center and crease. Arrange the 3" x 6 1/2" background rectangles centered per diagram, with one corner aligned to the bottom corner of the tan rectangle. Join together, trim, press and repeat.

Press per arrows and trim away excess to 5" x 5 1/2" rectangle, leaving 1/4" between the point of the triangle and the edge of the block.
