**PERRY CITY'S GARAGE SALE SATURDAY MAY 18th**

All Perry City residents are invited to participate in the 12th Annual Garage Sale. All you have to do to participate is to have a garage sale on **Saturday, May 18th**. You should be ready to sell at 8 AM and stay open until 12 noon. A map will be printed showing the streets of Perry and where the garage sales will be. The maps will be available at the Maverik Convenience Store beginning on Friday morning (17th). To have your garage sale listed on the map, or for more info, contact **Tom or Terry Peterson** at 435-723-3987. We need to have your listing on or before May 16th.

**PERRY C.E.R.T. "SHAKE OUT" APRIL 18TH.**

*The Community Emergency Response Team (CERT) Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills. One of the public services that Perry City CERT is coordinating this year is another "Shake Out" emergency simulation exercise. All residents, businesses, and schools in Perry are thus encouraged to participate in a simulated earthquake, which will take place at 10:15 AM on **Thursday April 18th**. You can participate in three ways on this day:*

1. Turn on your local radio or TV station for emergency news.
2. At 10:15 AM, "Drop, Cover, and Hold on" in your home or office, as instructed on "Shake Out" websites.
3. After 10:15 AM (or before you leave for work, but before 12 Noon), put your "green card" or other "colored card" in your front door or window (so that anyone in front of your house can see it) as we have done in recent years. These cards have been distributed as part of "Rapid Assessment Packets" in recent years. CERT members will canvas their neighborhoods and take a count of the colored assessment cards they see displayed in windows of each house they see. At 6:30 p.m. CERT members will then radio to CERT IC what cards they have found. We encourage all Perry residents to participate. If you do not have these colored cards (red, yellow, or green) please pick them up at Perry City Offices, or you may put up your own colored paper.

Red=Need help immediately  
Yellow=Need help but can delay  
Green=All is well

*Please keep track of your colored rapid assessment card packets in case of an actual emergency, or for other practices.*
