MAYOR'S MINUTE:

'Tis the Season for holiday parties, shopping, and gift giving! Here are a couple of suggestions to help make the holidays a little more safe and enjoyable within our community.

Don't Drive Distracted... Although it is a busy time of year, please do not try to multitask while driving, i.e. text or operate electronic devices, apply make-up, eat, turn around and talk with backseat passengers, etc. while driving. Also there are many holiday parties during the season, please do not drive impaired in any way; make sure to have a designated driver. Be cautious and slow down on snowy and icy roads. Do your part to help to make sure people are able to safely return to their families and homes to enjoy the holidays.

Shop Local... Our City and area has some of the best businesses in northern Utah! They are clean, offer friendly service, are well-stocked, and we have restaurants that are state icons. When we shop locally it not only shows our loyalty to our local businesses, it also encourages other businesses to locate in our community. The added bonus of shopping local is a portion of the sales tax dollars we spend when we shop locally stays right here where we can use those dollars to improve streets, parks, sidewalks, and for other city projects which will benefit all who live here and visit our beautiful community.

Be Vigilant at Home and in Your Neighborhoods... In order to protect our homes and neighborhoods and discourage criminals, keep a porch light on during nighttime hours. If you are expecting a package try to be home when it is delivered, ask a neighbor to watch for its delivery and pick it up for you, invest in a cost effective surveillance system, or remove packages from the porch as soon as you return home. Also lock your doors and close your garage doors when possible.

Doing these things will benefit each of us individually as well as our community as a whole and help make Perry a wonderful place to celebrate the holidays as well as the Perfect Place to Call Home! Happy Holidays!

DONATION TO MEALS ON WHEELS

Thanks to Young Subaru for their generous donation to the Meals On Wheels program in our area of a Subaru Outback for use in the delivery of meals to seniors who are homebound. We appreciate Young Subaru's strong business partnership to provide this service to help the older residents in our area who have worked to build the strong communities that this generation and future generations call home. Helping to provide meals to them is a special privilege.
