ITEM 1: Gravel Pit Task Force Recommendations

Chairman Coburn opened the meeting.

Chairman Coburn stated the meeting would center on the Gravel Pit Task Force recommendations for the Gravel Pit Ordinance.

The Planning Commission then reviewed the Gravel Pit Task Force Recommendations page by page. The Chairman and Commissioners made suggestions for adjustments to the proposed recommendations (most of which were grammatical). The Chairman and Commissioners asked for clarification on certain sentences which City Administrator, Greg Westfall supplied.

Greg Westfall stated the Planning Commission had reviewed three pages of the document in an hour, and inquired if the Planning Commission would like to hold another unscheduled work session.

Commissioner Ostler inquired on the deadline for the completion of this ordinance.

Mr. Westfall stated the City has a moratorium in place and the City Council would like this ordinance to come before them in June for action. He suggested having a work session next week regarding this ordinance only.

Chairman Coburn closed the work session.

The meeting adjourned at 6:50 PM.
