ITEM 1: CALL TO ORDER

Mayor Cronin called the meeting to order.

ITEM 2: PRESENTATION

Mayor Cronin gave a presentation on the General Plan. She explained that State Law requires every city to have a General Plan and that plan is to be updated periodically; that is what Perry City is doing now. She stated that the General Plan will be used as a guide for the Planning Commission and City Council as they make decisions regarding the Planning and Development of the City. She advised that this plan should be long range looking out 20 years, and should outline what we want Perry City to look like considering that our population will most likely double.

ITEM 3: GENERAL PLAN PUBLIC INPUT

The Mayor opened the meeting for public input. The public provided input on the following projects and initiatives:

- Quality job opportunities within a reasonable commute
- Parks and green spaces
- Availability of clean water
- Sales tax options for revenue vs. increased property tax
- Quality public transportation
- Public safety
- Bike lanes, connecting trails, and access to healthy lifestyle options
- Well maintained roads
- Dependable and affordable options for retail services
- Building and paying now for the infrastructure to be able to facilitate more residential growth
- Walkable Communities (mixed use areas of business and residential)
- Safety Features i.e. streetlights, crosswalks, sidewalks, pedestrian overpass, signage
- Clean Air
- Affordable Energy

- Emergency Preparedness / Disaster Resilience
- Leisure Based Businesses and Restaurants
- Increased Recreation / Community Based Services
- Access to Quality Education
- Quality Job Opportunities within a Reasonable Commute
- Highway 89 Safety i.e. safe access, traffic lights, speed limit

[The input was tabulated and reviewed in the October 13, 2016 City Council Meeting.]

ITEM 4: ADJOURNMENT
