

PERRY CITY COUNCIL PLANNING COMMISSION WORK SESSION
PERRY CITY OFFICES
SEPTEMBER 7, 2017

6:00PM

OFFICIALS PRESENT: Commissioner Blake Ostler, Commissioner Tresa Peterson and Vice Chairman Devin Miles

OFFICIALS EXCUSED: Chairman Travis Coburn, Commissioner Vicki Call, and Commissioner Stuart Grover

CITY STAFF PRESENT: City Recorder: Susan Obray and City Administrator: Greg Westfall

OTHERS PRESENT: None

ITEM 1: Conservation Subdivision

Commissioner Ostler inquired if they could push any action on this item to the September 21st meeting, as he and Commissioner Grover were unable to get a final draft ready to review for this meeting (due to both being out of town).

He asked for comments or questions from the Commission.

Greg Westfall interjected there can be no action taken in the regular meeting tonight because the Commission does not have a full quorum this evening. He explained they can still have the meeting, but it will need to be a work session type meeting (with no actions) versus a regular meeting.

Commissioner Peterson and Vice Chairman Miles stated they had no questions or concerns at this time.

Commissioner Ostler reviewed and clarified the Conservation Subdivision document page by page with the Commission and Staff.

Commissioner Ostler inquired of Staff if there had been any more comment from the public regarding the Conservation Subdivision.

Mr. Westfall stated there had not been.

ADJOURNMENT

The Commission closed the work session unanimously.

The meeting adjourned at 6:44 PM.
