

FINISH WHAT YOU STARTED!

If you're quilting on your home sewing machine or sending your quilt tops out for someone else to finish, look no further! The Moxie family machines are fun and affordable, and will have you finishing your own quilts in no time. And as part of the Handi Quilter family, you get lots of support on your longarm quilting journey. Jump in - the quilting's great!

WHY HANDI QUILTER?

- Worldwide retailer support
- Warranty: 10 years casting, 5 years electrical, and 5 years mechanical
- Educational videos, tutorials, and tips available at HandiQuilter.com

Pro-Stitcher **LITE**

HANDS-FREE QUILTING!

Pro-Stitcher Lite is a robust computerized quilting system that easily integrates into your Moxie or Moxie XL. Explore the possibilities with this easy-to-use system designed to help you finish more quilts with speed, precision, and creativity. Pro-Stitcher offers the best of both worlds—computerized quilting and free-motion quilting in the same package.

You can own a Moxie + Pro-Stitcher Lite – a **COMPLETE** computerized quilting package – for **LESS** than a traditional longarm machine.

PRO-STITCHER LITE ON MOXIE

PRO-STITCHER LITE OFFERS:

BY QUILTERS FOR QUILTERS

MOXIE™ ST

Perfect for quilters with limited studio space and those who want to quilt while sitting down. No more wrestling quilts through your home sewing machine. Enjoy the freedom of 18" of quilting space and perfect, consistent stitches with built-in stitch regulation.

Speed:	2,100 stitches per minute
Throat Space:	18"
Footprint*:	38" x 38"
Stitch Modes:	HQ InSight™ Stitch Regulation Manual and Regulated (Precision and Cruise)
SPI:	4 to 18 stitches per inch, basting
Lighting:	Built-in LED lighting
Control:	Full-color touchscreen and foot controller
Tension:	Manual thread tension control
Table/Frame:	HQ InSight Table
Suggested Accessories:	Handi Feet, Horizontal Spool Pin, Mini Casters, Table Drawer, Laser Light, Table Extension

See details at HandiQuilter.com/product/Moxie-ST

MOXIE™

Now every stitch can be yours—from pieced top to finished quilt. Find 15" of free-motion freedom with the Moxie. Forget basting with pins or cramming quilts through a domestic machine. Start stitching with straightforward features, easy-to-use controls, and the space to get creative.

Speed:	1,800 stitches per minute
Throat Space:	15"
Footprint*:	4' x 5' or 4' x 8' or 4' x 10'
Stitch Modes:	Manual and Regulated (Precision and Cruise)
SPI:	4 to 18 stitches per inch, basting
Lighting:	Built-in LED lighting
Control:	Front handlebars with color display
Tension:	Manual thread tension control
Table/Frame:	HQ Loft™ Frame or HQ Little Foot™ Frame
Suggested Accessories:	Pro-Stitcher Lite™, Quilt from the Back Kit, Steady-Fit™ Ruler Base, Interchangeable Handi Feet, Laser Light, Mini Casters

See details at HandiQuilter.com/product/Moxie

MOXIE™ XL

Don't let space restrictions dictate what you can create. The Moxie XL enables any quilter, beginner to advanced, to finish their own quilts. With 18" of throat space combined with elevated features and beautifully smooth stitches, the Moxie XL raises the bar for those who want to make the leap to a longarm machine.

Speed:	2,100 stitches per minute
Throat Space:	18"
Footprint*:	4' x 5' or 4' x 8' or 4' x 10'
Stitch Modes:	Manual and Regulated (Precision and Cruise)
SPI:	4 to 18 stitches per inch, basting
Lighting:	Built-in LED lighting
Control:	Full-color touchscreen and front handlebars
Tension:	Manual thread tension control
Table/Frame:	HQ Loft Frame or HQ Little Foot Frame
Suggested Accessories:	Pro-Stitcher Lite, Quilt from the Back Kit, Groovy Board Kit, Steady-Fit™ Ruler Base, Handi Feet, Horizontal Spool Pin, Laser Light, Quilt Clamps, HQ Loft Frame 8' Table Top Kit, HQ Loft Frame 2' Extension Kit, Mini Casters
