Project of the Month

Greetings from the Round Bobbin!

Happy New Year! May the year 2018 be a happy and healthy year for us all! We are really busy getting ready for our Winter/Spring session and hope you will join us for a class or two, a brand new Block of the Month (or two!) and some good old fashioned fun!

In case you haven't heard, we are changing things up this session in terms of our Biannual Class Preview Party. We are **NOT** having a formal presentation party this time. We would like to invite you on **Saturday, February 10** and **Sunday February 11** to join us instead for a **Class Preview Open House!** We will have the same great selection of classes, the same great teachers to inspire and delight you and the same chance for prizes and giveaways, not to mention the same great refreshments! However, we are NOT asking you to register your attendance, we are NOT telling you what time to be here. We hope that you'll just take some time out of your weekend to wander in and see all the great new class samples and Block of the Months and hopefully sign up for your favorites! As previously mentioned, there will be hourly drawings and giveaways and inspiration and fun! The teachers will be here on either Saturday or Sunday to talk to you personally about their offerings. If you want to know who is here which day, give us a call and we'll be able to tell you that so that you don't miss seeing the instructor you're hoping to see! As usual, the class selection is wide and varied, a little something for everyone!

We are also introducing this Winter/Spring two **new Block of the Months** and one **Six-Part Stitch Along-Program** with our very own Sally Mally.

And to all you **Fab Five Fans** (the \$5 BOM), we are doing that again as well **starting in April.** Gina Gempesaw has designed a delightful quilt. Read on through the newsletter to get all the details!

It's going to be another busy, happy, productive Winter/Spring here at the Round Bobbin. As usual, we look forward to helping you through all your quilting needs. That's what we do!

We look forward to seeing you soon!
Keep stitchin', and as usual,

May Your Bobbins Always Be Full,

Susan

Critical Point:

Come to the next session with YOUR COMPLETED BLOCK(S).

4

DO NOT BE EARLY - DO NOT BE LATE!!!

5

**MOST IMPORTANTLY:
Have Tons of Fun!**

Then, "Pay" for your next packet by simply showing us your completed block(s). It's that easy!

Repeat Steps 2 to 5 until the end of the program! As in the past, NO EXCUSES! If you do not have the finished block(s) to show or if you are not at the next session or are really late, the NEXT PACKET will cost you \$5.

**PLEASE DO NOT ASK US TO MAKE EXCEPTIONS.
(We really don't want to say NO to you but we WILL!)**

Over the course of this 10-month program, you will receive all instructions to make the complete quilt top. Fabric packets to make the block(s) are also included. This program is available in 3 colorways. Choose your colorway when you register. Note that if you choose to receive more than 1 packet per month (regardless of colorway), each of the extra kits will always cost \$5/month.

**Introductory Session:
