

Big Block Dash

Pattern Correction

Barbara Lavallee - Quilts and Kuspuks Version Only

This pattern was created before printing the Quilts and Kuspuks fabric collection. The actual printed fabric is slightly smaller than expected. Please make the following changes to your pattern. The pattern will be fixed in future printings.

If you have a copy of the Big Block Dash, Lavallee version not showing a revision date on the back cover, lower left corner, please make the following changes to the instructions shown in ***bold italic***.

I made a small increase to the yardage to provide a little extra for oopses. You should have enough if you have the original amount listed on the pattern.

| Yardage | Description | Part Number | Used For |
|--------------------|------------------|-------------|---------------------------|
| 1 3/4 yards | Calico Dark Blue | 25209-46 | Piecing, Border & Binding |

Horizontal Sash

Alternate Correction Option:

Purchase an additional 1/2 yard of horizontal print 25203-62 and follow the original pattern as written. You can only use 4 of the eight border repeats because the cut size is slightly wider than the design repeat.

This isn't the first choice because the extra border fabric may not be available; it was a limited print.
