

Berryfield Park Pouch Prep

Fabric Requirements:

Main fabric - 1 FQ (Directional fabric can be used)

Lining fabric - 1 FQ

Bias binding trim - 1 FQ

Soft and Stable - 1 rectangle 14" x 18"

Notions:

#5 Zipper and pull (Only 7 1/2" is used)

Berryfield Park Pouch Pattern by Torie and Ren

Sewing machine with 1/4" foot, standard zig zag foot, pins, clips, Rotary cutter with a good blade, awl, scissors, thread, and seam ripper

Preparation for class:

Cut a rectangle of the main fabric 14" wide x 18" tall.

Cut a rectangle of Soft and Stable 14" x 18".

Place the Soft and Stable on a flat surface. With right side up, align the main fabric on top of the foam. Quilt as desired.

The pattern calls for fusible fleece as the interfacing, but we are using Soft and Stable. In class we will cut out and construct the pouch
