

Blooms were made for Walkin' Class

Lynn Rinehart

lynn@cottonartstudio.com

Class Description

The student will create a fiber art piece using fused fabrics. Boots and flowers will bloom on the piece, allowing the student to quilt it and learn to stretch it on canvas for a beautiful addition to the home or a thoughtful gift for friends.

Project

Students will use the outline of the pattern of the boot provided and scrap floral fabrics to create a mosaic boot with blooms—original artwork created by the mosaic compilation.

Duration

Full-day workshop
