

RESOLUTION NO. 11-08-12

RESOLUTION SETTING FEES FOR  
TURNED OFF WATER METERS AND REMOVED WATER METERS

Be it resolved by the Cleveland Town Council amends the previous Resolution No. 6-11-09 to reflect the following:

There is hereby set a fee for all Cleveland Town utility account owners when the past due-balance requires a shut office notice to be generated and mailed or delivered to the account owner:

When a water meter is turned off for non-payment the account owner will be required to pay:

2 times the current water bill for the first offense:

4 times the current water bill for the second offense:

8 times the current water bill for the third offense:

When a water meter is removed for non-payment, the account owner will be required to pay:

4 times the current water bill

The above fees including the past due amount must be paid before the water meter can be turned back on or the meter can be re-installed.

This Resolution will be effective as of this day, November 8, 2012
