

Introducing the new 2026 BERNINA: Embroidery on Everything, a popular 12-month hands-on club teaching various embroidery techniques and accessory uses for Bernina machines, creating projects like banners and in-the-hoop pouches, and many more. Each month will focus on a new technique, stabilizers, or project style.

The club will meet at the shop one Wednesday and one Saturday each month. You choose the day that works best for your schedule. Once you join the club, you will receive an access code for the Bernina Skill Hub, which grants you digital access to the video. You will also receive a monthly email from Bernina letting you know your content is available on the Skill Hub. You will have everything you need to complete the project: a video, a design, and a handout to help you hone your embroidery skills. Plus, you will receive expert tips and have all your questions answered while at the shop

The cost of the program is \$300.00, with the option to pay all upfront for a small discount or make 2 payments: one now and another in 6 months. Some months, there will be a small kit fee.
