

# Juilt Block Instructions

## **July Block**

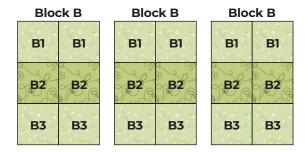

Make 6 hoopings.

Note: The embroidery file makes (2) blocks at a time. Stitch the embroidery file (6) times for a total of (12) blocks.

For the first (3) hoopings, use **Block A** fabrics in each hooping, for a total of (6) blocks. Block A consists of (2) Fabric 1 pieces and (1) Fabric 2 piece.

For the last (3) hoopings, use **Block B** fabrics in each hooping, for a total of (6) blocks. Block B consists of (1) Fabric 1 piece and (2) Fabric 2 pieces.

Fabric 1 (Dark): Pieces A1, A3, B2 Fabric 2 (Light): Pieces A2, B1, B3 (9) 3½ x 6½" (9) 3½ x 6½"

Note: No SVG files are provided.

#### Stabilizer

**Light Mesh Cut-Away Stabilizer** 

Starch and press all fabrics.

## **Embroidery Thread Colors**

Use a neutral or white color.

Background Quilting Thread Color: Light Green

## **Optional Block-By-Block Quilting Instructions**

- ·This block will be guilted after it has been pieced and sewn together. Additional directions for block-by-block quilting are at the end of this block's instructions.
- · Go to the Hooping Instructions.

## **Hooping Instructions**

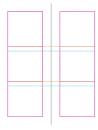

- · Cut the **Light Mesh Cut-Away Stabilizer** larger than the embroidery hoop.
- · Hoop the stabilizer only.
- ·Go to the Embroidery Instructions.

## **Embroidery Instructions**

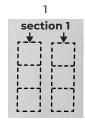

## **Embroidery File** 5x7-july

500 x 700" or 1271 x 1778 mm 865 stitches

- 1. Stitch the Blocks Template directly onto the stabilizer.
  - · Place the Piece Al Fabric, right side up, centered over Sections 1.
- 2. Stitch the Trimming/Placement Line.
  - ·Trim the fabric close to the stitch line.

- · Place the Piece A2 Fabric, right side down, centered along the stitch line.
- 3. Stitch the Seam.
- $extcolor{black}{oldsymbol{arphi}} \cdot \mathsf{Flip}$  the fabric **right side up**. Press well.

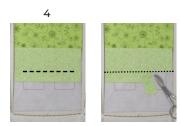

·Trim the fabric close to the stitch line.

- · Place the Piece A3 Fabric, right side down, centered along the stitch line.
- 5. Stitch the Seam.
- $extcolor{left}{f Q}$   $\cdot$  Flip the fabric **right side up**. Press well.
- 6. Stitch the Trimming Line.

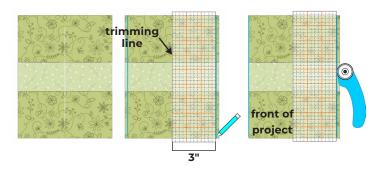

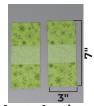

- ·Remove the project from the hoop.
- · Using a quilting ruler and a marking pen, measure and mark a vertical line 3" from each side of the vertical trimming line as shown.
- · Using a quilting ruler and a rotary cutter, cut away the excess fabric on the marked lines.

- ·Turn the project to the **back**. Using the template on the back, trim 1/2" from both short ends of the block.
- · Using a quilting ruler and a rotary cutter, cut the block in half directly on the trimming line stitched in Machine Step 6.
- · Each block should measure 3 x 7". Set aside for later use.

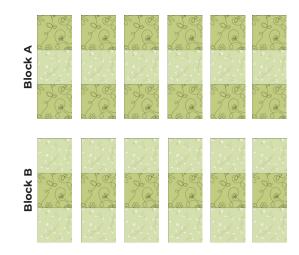

- front of project back of project
- front of project

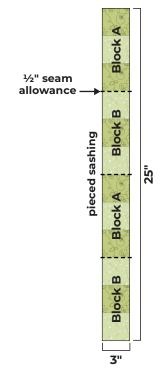

- Repeat the **Embroidery Instructions (2)** more times with Pieces A1, A2, and A3. Repeat again (3) more times with Pieces B1, B2, and B3, until you have a total of (12) blocks.
- ·Go to the Assembly Instructions.

## **Assembly Instructions**

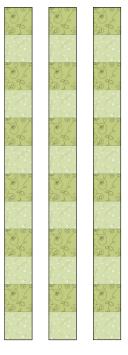

- 🖏 🏚 1. Arrange **(4)** blocks in a row as shown. Using a sewing machine, sew the blocks together into a sashing, using a 1/2" seam allowance.
  - 2. The Pieced Sashing should measure 3 x 25".

3. Press open the seams. Press the sashing well.

Repeat **Direction Steps 1–3 (2)** more times, until you have a total of (3) Pieced Sashing strips.

· If you are doing Block-by-Block quilting, go to the Optional Block-by-Block Quilting Instructions.
