

## Serger (Overlocker) Binding Class Supply List

We are practicing, not actually doing a finished project.

Fabric (**prepare your fabric before class**):

2 - fat quarters (18" x 20") quilted with batting in between

Before quilting, trim one of your fat quarters to 17" x 19" (quilt top)

Batting should be the size of your other fat quarter which will be the backing.

In summary, you are creating a practice piece that is similar to a quilt.

Do NOT trim the excess batting or backing after quilting.

3 - 2 3/8" strips for binding – do NOT sew together

4 spools of thread for your serger

Because we are practicing, color doesn't matter

Fusible Thread (15% class discount)

Serger (cleaned and in good working order)

Free Hands System, if your machine has it

Topstitch Needles 90/14

Fabric marker (frixon marker will work good for this)

Binding Clips

scissors/seam ripper

pen and paper for taking notes

stiletto is helpful

a small ruler for measuring (suggest 6 1/2" x 2 1/2" or approximately this size)

bound to fit tool or your favorite tool for joining binding

rotary cutter

cutting mat (if taking class via zoom, cutting mats provided in classroom)
