

## Supply List - DREAM BIG with Machine Embroidery

Dream Big Mini Panel (onyx) - included with class fee - can pick up ahead of time at the shop or you'll receive the day of the class

Backing fabric: at least 34" x 34"

Batting - same size as backing fabric, at least 34" x 34"

Embroidery Design: Dream Big Dahlia in the Morning **OR** Evening Design

- the design is from A Bit Orange

- a discount code will be provided once you sign up to receive 25% off

- use one of the following links to purchase the design prior to class:

Morning:

<https://abitorange.com/products/dream-big-dahlia-embroidery-formats>

Evening:

<https://abitorange.com/products/dream-big-dahlia-in-the-evening-embroidery-formats>

- your purchase will include all machine formats

  - 7 Series Pro & 990 machines will use the BQM format

  - other machines will use the EXP format

  - please load the files onto a usb stick before class

- like their other designs? Use code **ROX10** to save 10% on purchases from their site.

Embroidery Thread (Isacord) - you may use whatever color/colors you want.

White, off white, greys, silver tones or black will all keep it neutral or get creative and add color!

Match upper thread to bobbin OR may keep bobbin all one color also

Black bobbin case (we will not use the yellow/mustard colored one)

Machine, embroidery module, power cord, stylus, #26 or 26L embroidery foot, usb with design format you need loaded (these files are large - I recommend only loading the ones you need on an empty usb)

Embroidery hoops: large oval, midi, maxi or jumbo, giant (990), larger magnetic hoops, medium clamp hoop - you do not need all of these but bring the ones you do have and we can explore which you prefer to use for quilting in the hoop.

Note: We do not use stabilizer with this technique
