

## Correction for Nature's Watercolor Charm Pattern

It's a first! The charm pack I received months ago to make my quilts for Fluttering Leaves projects has different duplicates in it than the ones shipped to quilt shops. I had 2 extra pumpkin 5" squares; the new charm packs have an extra tan and red. Please find adjustments to the pattern in red below.

In all of it's scrappy wonderfulness, Nature's Watercolor works just as well moving a few colors around.

Happy Fall!
