Sew blocks together in rows; press alternating rows in opposite directions for opposing seams. Sew rows together; press. Blocks measure 11" sq.; finish 10 1/2" square.

Add (2) 2" x 8" tan sashing strips to seamed end of pieced bars blocks; press toward tan. Add (2) 2" x 11" tan sashing strips to remaining opposite sides; press toward tan. Blocks measure 11" sq.; finish 10 1/2" square each.

Arrange the (25) 49-patches and (24) bar blocks in 7 rows of 7 blocks each, alternating blocks, with 49-patches in the corners. Sew blocks together in horizontal rows; press alternating rows in opposite directions. Sew rows together; press. Center of quilt measure 74" x 74".

MEASURE YOUR QUILT TOP BEFORE CUTTING BORDERS TO LENGTH. MEASUREMENTS ARE GIVEN AS A GUIDE ONLY.

BLACK 1ST BORDER- Piece and trim 2 borders to length for quilt sides (74" long). Pin and stitch to opposite sides of quilt top; press toward black. Piece and trim 2 borders to length for quilt top/bottom (77" long). Pin and stitch to top and bottom of quilt; press toward black.

TAN 2ND BORDER - Trim (2) 8" tan 2nd borders to measured length of quilt top (77"). Pin and stitch to opposite sides of quilt top; press toward tan. Trim (2) 8" tan 2nd borders to measured width of quilt top (92"). Pin and stitch to top and bottom of quilt; press toward tan.

PIECE BORDER - Sew (10) sets of 2" x WOF strips of black, red, gold, green and purple together, in that order; press in one direction. Crosscut pieced strips into (48) 8" segments. Piece (12) segments plus 1 additional strip together for sides of quilt; press in one direction. Make 4 pieced borders. Pin and sew 2 pieced borders to opposite sides of quilt top; press toward tan.

PIECED BORDER CORNERS - Piece 4 corner blocks log cabin style, as shown, pressing toward outside of block after each strip. Add a log cabin corner block to each end of the 2 remaining pieced borders with black squares in the outer corners; press toward corner block. Quilt top measures 107" x 107" square.

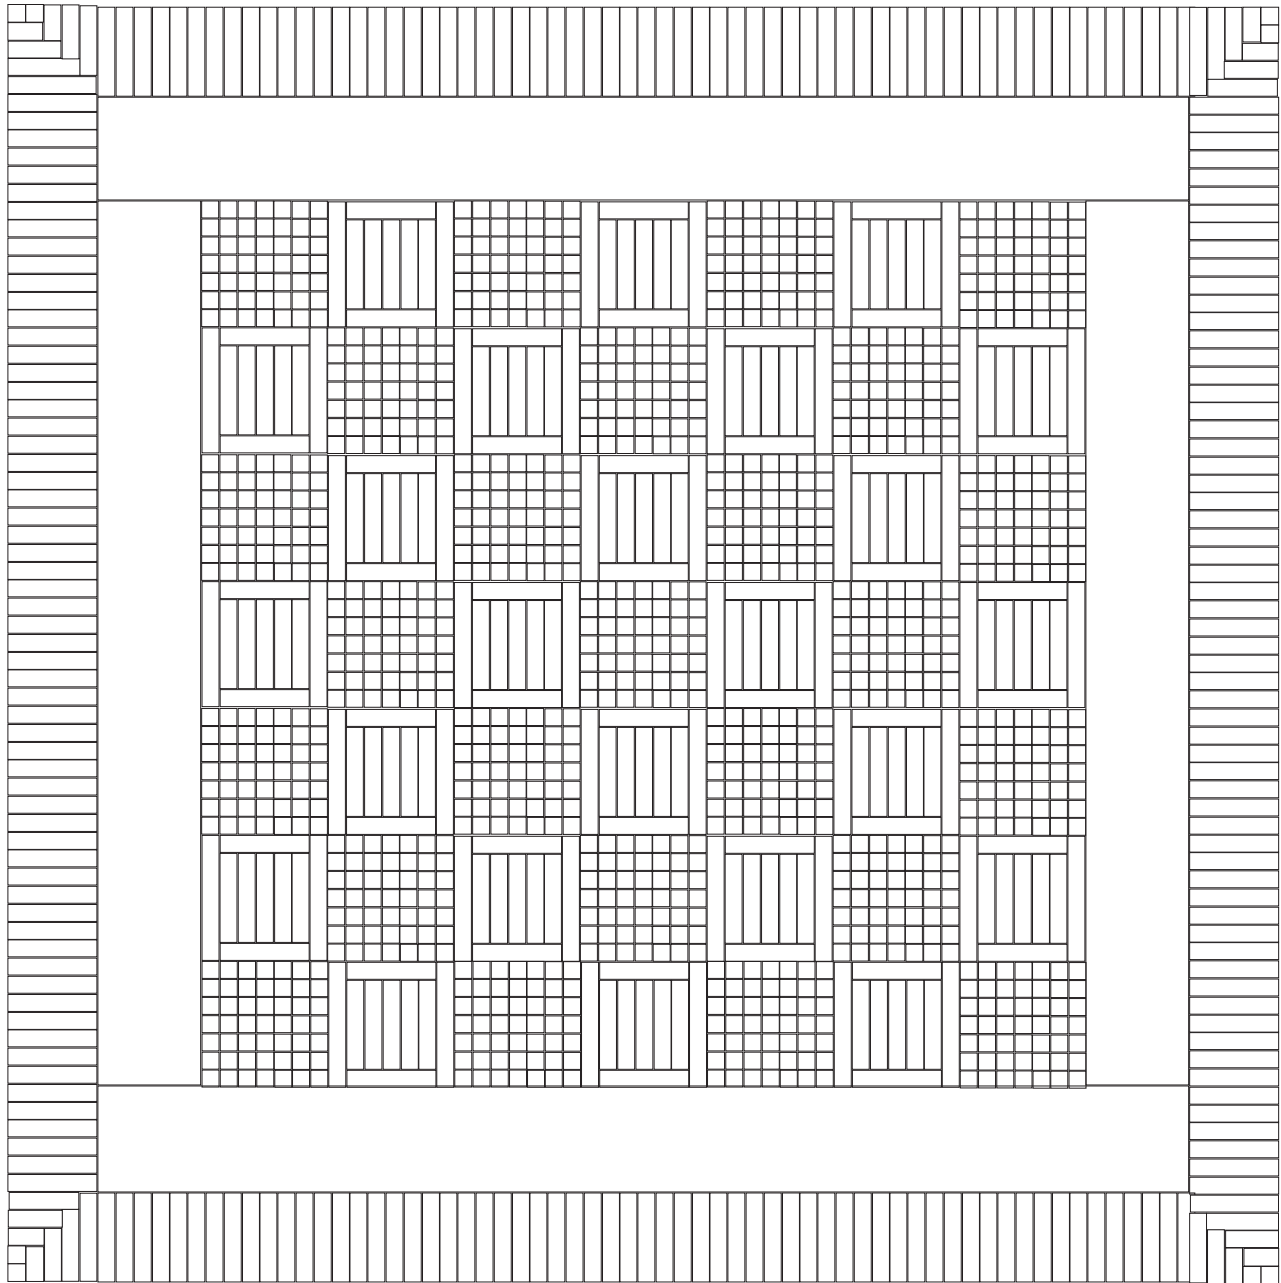

FINISHING - Sandwich quilt top, batting and backing using the method of your choice. Machine quilt-in-the-ditch between blocks and borders; stitch 49-patches in a snail's trail pattern; quilt wavy lines in tan sashing strips and large feathers in wide tan border. Trim batting and backing. Bind with 2 1/2" wide double binding pieced to at least 440" long.

Create custom pillowcases to match your quilt. Inset a 4 1/2" wide pieced strip from leftover border segments into the pillowcase, leaving about a 4" cuff on the end.
