Meadow Weaver – Round 4 (Mid-Borders and Wide Baskets)

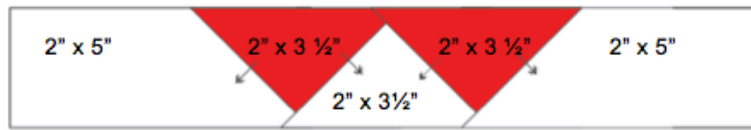

2. Now add a 2" x 3 1/2" red houndstooth rectangle to the right side of the unit from step 1 in a diagonal seam. This time orient the top piece as shown to make the seam go in the right direction.

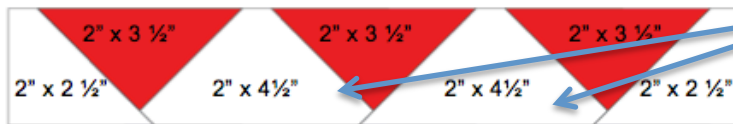

3. Continue adding 2" x 3 1/2" pieces, alternating red houndstooth with red mini print, and alternating the direction of the diagonal seam to make a row as shown: Press all seams toward the background.

Make the next row starting and ending with red houndstooth 2" x 5" rectangles as shown:

And the bottom row, using the sizes as shown here:

Use 2" x 4 1/2" rectangles here.

4. Sew the rows from step 2 together along the long edges. Unit should measure 5" tall. Center and trim the width of this unit to 11 1/2" wide. Sew the 5" x 11 1/2" red houndstooth rectangle on top of the rows to complete the Wide Basket. Make 4. Set aside.
