Prairie Flowers Table Runner

Size: 24" x 44"

Fabric Requirements:

- 1 ¼ yd strippy vine print (9919-44)
- ¾ yd green damask floral (9918-66)
- ½ yd brick red flower sprigs (9920-88)
- 1 fat quarter (18" x 22") beige damask floral (9918-44)
- 1 fat eighth (9" x 22") rust outlined flower (9917-83)
- 1 fat eighth (9" x 22") brick red set tiny flower print (9915-88)

Prairie Flowers Table Runner was made using fabrics from A Prairie Journal by Martha Walker for Henry Glass Fabrics & Co. The SKU numbers for each print are noted. Feel free to substitute similar fabrics.

Cutting Instructions:

Add ⅜" seam allowance to all appliqué pieces

From strippy vine print fussy cut:

- 1 — 15 ½" x 36 ½" rectangle, centering vine stripe lengthwise.

From green damask floral cut:

- 2 — 3 ½" x 36 ½" rectangles (side inner borders).
- 2 — 3" x 21" rectangles (top and bottom borders).
- 9 — Calyx (reverse 4).
- 9 — Stems (reverse 4).
- 9 — Leaves.

Enough ¾" wide bias strips that when sewn together measure 45" for bias vine, using the bias tape maker method.

From beige damask floral cut:

- 32 — 2 ⅞" squares (dogtooth border).
- 4 — 2 ½" squares (dogtooth border corner squares).

From brick red flower sprigs cut:

- 8 — 5 ¼" squares (dogtooth border).

Enough 2" wide strips that when sewn together measure approximately 150" for binding.

From rust outlined flower cut:

- 6 — Flowers (reverse 3).

From brick red tiny flower cut:

- 3 — Flowers (reverse 1).

Other Supplies:

⅜" bias tape maker

Add Inner Border:

1. Trim $\frac{1}{4}$ " beyond edge of outside "printed patchwork" vertical strips as shown.

Trim $\frac{1}{4}$ " beyond edge of outside "printed patchwork" vertical strips.

2. Sew one $3\frac{1}{2}$ " x $36\frac{1}{2}$ " green damask floral rectangle to each side of appliquéd panel. Press seams toward borders.
3. Attach two 3" x 21" green damask floral rectangles to top and bottom of appliquéd panel. Each border may extend past the side borders, which is okay, due to the finished size of your own appliquéd panel. Press seams towards border.

4. Trim borders so that the quilt top is $20\frac{1}{2}$ " x $40\frac{1}{2}$ ", with the appliquéd vine centered vertically.

Trim borders so that the quilt center measures $20\frac{1}{2}$ " x $40\frac{1}{2}$ ".

Assemble Dogtooth Borders:

1. Draw a diagonal line with a pencil on the wrong side of $32 - 2\frac{7}{8}$ " beige damask floral squares.

2. Select one 5 1/4" brick red square and four 2 7/8" marked beige squares.
3. Place 2 beige squares in opposite corners of the brick red square right sides together as shown, with the pencil lines matching. The squares will overlap slightly in the center.

4. Stitch 1/4" on both sides of marked line as shown. Cut apart on the marked line.

5. Press each unit, with seams facing the small triangles.

6. Place a small square onto each Step 5 unit, right sides together, with diagonal pencil line positioned as shown.

Stitch 1/4" on both sides of marked line. Cut apart on marked line.

7. Open and press. You will now have four flying geese units. Each unit should measure 2 1/2" x 4 1/2" unfinished.
8. Repeat Steps 2 - 7 for a total of 32 flying geese units. You will use 30 units. Set aside the remaining two units for another project.
9. Join ten flying geese units to make one side dogtooth border. Press seams open. Repeat to make a total of two side dogtooth borders. Sew borders to each side of quilt center, with points facing out. Press seams towards inner border.
10. Sew five flying geese units to make the top dogtooth border. Press seams open. Repeat to make the bottom dogtooth border.
11. Add two 2 1/2" beige squares to opposite ends of the Step 10 dogtooth borders. Press seams towards squares. Attach these two borders to top and bottom of quilt center, with points facing out. Press seams towards quilt center.
12. Quilt as desired, and bind with brick red binding.
