I have read and understand "Paisley U Information" and agree to attend classes to earn my **Duck-ploma**. I agree to pay the class fee for every class in the program. I understand that earning my duck-ploma is based on completion of all the classes and finishing a class project. I also understand that if I cannot attend one or more classes, pre-recorded online instruction is available, and by accessing that content I am still responsible for the class fee.
