Shirt Placement & Design Preferences

Is there a specific shirt you would like placed in or near the center of your quilt? Do you have any other placement requests? Please describe below:

Quilt Size & Fabric Preferences

If you'd like your quilt to be a **specific size (lap, queen, etc.)**, please note it below. We can discuss adding fabric borders if needed to reach that size. This may involve an additional charge, which will be discussed before work begins.

- **Desired quilt size (if applicable):** _____
- **Preferred fabric color for the front:** _____ *(Leave blank if you'd like me to choose.)*
- **Preferred fabric color for the back:** _____ *(Leave blank if you'd like me to choose.)*

If you're not choosing specific colors, please describe any styles, hobbies, or themes you like. This helps guide fabric selection: (e.g., bold, feminine, floral, outdoorsy, biker, rocker, medical student, etc.)

Date Needed

If you need your quilt by a specific date, please enter it here: _____.

Note: *Entering a date does not guarantee delivery by that time.* Typical processing time is approximately 8–12 weeks, but it may vary based on order volume and other factors. If you have a strict deadline, please consult with the store before sending in your shirts

Shirt Prep Please follow these guidelines to ensure the best results:

- Shirts should be **uncut**. Pre-cut shirts may result in graphics being misaligned, or cut off when sewn.
- Wash shirts **without fabric softener or using a dryer sheet**.
- We do **not accept shirts from homes where smoking occurs**, regardless of laundering. Smoke odors, even faint, can transfer to other quilts and materials. *We apologize for any inconvenience and appreciate your understanding.*

Price

The price of your quilt includes everything needed for a complete, finished quilt: stabilizer (to prevent knit fabrics from stretching or fraying), all fabric required to complete the top, batting, backing fabric, quilting, and binding. If you would like extra borders to enlarge your quilt, the cost is \$20 per border. Any additional customizations or costs will be discussed on a case-by-case basis.

Shipping

If shipping is required, the cost will be based on the size and weight of the package, shipped from ZIP code 65202. Most quilts weigh between 7–15 lbs., though larger quilts may weigh more. We ship via USPS Priority Mail, insured, with signature confirmation required. Expect shipping costs to range from \$20–\$50 depending on the size, weight, and shipping location.

Payment & Order Process

A non-refundable deposit of \$250 is required to begin work on a single-sided t-shirt quilt. Once the deposit, completed order form, and t-shirts are received, we will stabilize and cut the shirts, and design a layout based on your selected style, shirts and color preferences. We'll send photos of the design for your approval, and we won't begin sewing until you've approved the layout. For quilts with a total cost of \$800 or more, we require the deposit to be increased to 50% of the total price. After your approval and payment of the full deposit (if applicable), we will begin assembling your quilt. Once complete, we'll send photos and an invoice for the remaining balance.

Payment in full is required before your quilt can be picked up in Columbia, MO, or shipped. Typical processing time is 8–12 weeks, though this may vary depending on order volume. If you have a deadline or want an updated timeline, please contact us directly. **All sales are final.**
