

Eazy Peazy's

Boo! Bags

Halloween Candy Carriers

Designed exclusively for Brewer Quilting & Sewing Supplies—Not for Resale

FABRIC Makes 2 Boo! Bags

- (2) fat quarters for bodies
- (1) fat quarter for handles
- (2) fat quarters light to mid weight fusible fleece

CONSTRUCT

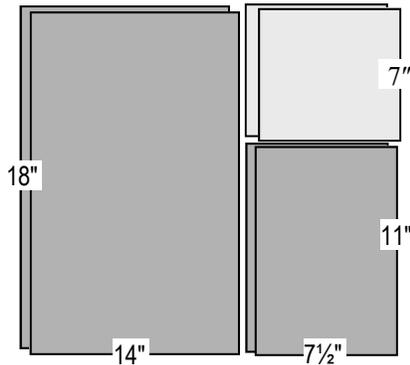

Stack the two fat quarters for Boo! Bag bodies

Trim to 18" x 21½"

Sub-cut to 14" x 7½"

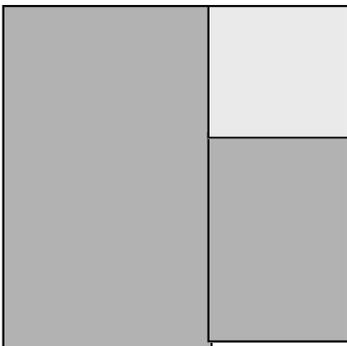

Further sub-cut 7 ½" x 18" into 7" and 11" lengths.

Scramble the pieces to your liking...using one of each size. Set one group aside.

To make the first Boo! Bag, take one 7" length to one 11" length and stitch right sides together.

Press seams open.

Stitch this unit to a 14" x 18" piece aligning at the top edge. Stitch down the length. There will be a ½" overhang at bottom.

Press seams open. Square up cutting off the overhang at bottom to 17½" x 21"

Cut 2 batting or fleece pieces to 17½" x 21". Set one aside. Fuse to wrong side of body unit.

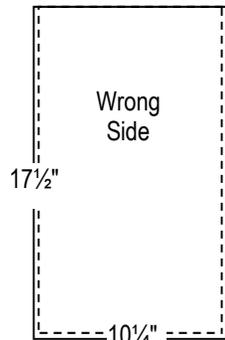

Fold the body unit piece in half right sides together to 10¼" x 17½"

Cut along fold leaving pieces right sides together

Stitch down both lengths of each piece. Press seams open.

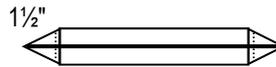

Stitch across bottom. Press seam open.

Make a ¼" hem at top of Bag. Press. Top stitch. Turn this hem to wrong side of Bag to make a 2½" hem. Pin. Stitch in the ditch down the 2½" length of hem at sides seams to secure.

Finished size 9½" x 13"

"Pumpkin Patch" by Kanvas for Benartex

Box the corners by bringing side seam to bottom seam ½" in from point. Turn right sides out.

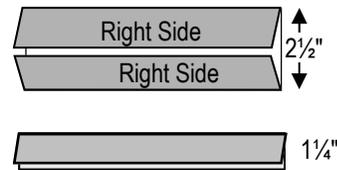

Handles

Cut (2) 5" x 21" fabric from third fat quarter

Cut (2) 5" x 20" fusible fleece

Fuse the fleece centered to wrong side of each length. Set one aside. Fold both width ends and press to form a hem.

Fold length in half wrong sides together with hem tucked inside. Open and press raw edges to center line. Fold again with ends tucked inside. Stitch down length next to folds, then stitch the single folded edge.

Complete your Boo! Bag

Center first end of handle over side seam and stitch in the ditch to body of bag.

Bring handle over to second side, adjust for length you want. Stitch in the ditch to side of bag leaving the remaining strap length as a design feature.

Top stitch completely around Bag opening.

Repeat steps for second Boo! Bag.
