Before Class

1. Fold fabric in half horizontally and vertically and finger crease.
2. Fold pattern edge of design to edge of design horizontally and vertically to find center. Mark cross lines with pencil.
3. Tape pattern to light table, then fabric to light table centering cross on fabric with cross crease on pattern.
4. Trace pattern onto fabric noting pattern instructions for using dots.
5. Crayolas: Pour out all the crayolas on the table and separate them by color families (reds with reds etc) which will help you find the colors you need. Pull the colors listed above and put them in a sandwich zip lok bag.
