If you have come to see us in person, you may have met our shop pup- BOLT. He is a friendly little Boston terrier that is hanging around most days to greet you and offer kisses while you shop or sew.

If you have been by the shop to visit or sew, you may have noticed we have been pretty busy and as with all things there are growing pains and learning curves. We have evaluated our calendar and are changing up just a few things to streamline stuff for the staff and our customers too! Instead of offering alterations just on 2 Thursdays a month, they will be by appointment as needed. Rhonda is in the store sometimes a few times a week and can meet customers when it suits. We will also be removing Sip & Share on the first and third Thursdays. We are also planning to add Long Arm Club for those customers with long arms and sit down long arms. We will practice different techniques, show and tell recent projects, and grow together in this niche group. If you own a long arm (of any kind) shoot us an email with your preferred meet times and we hope to have something on the calendar this fall.
