

Everything Magic Binding and more

For those with some experience binding either by hand or by machine.

Change the appearance of your finished product with this simple addition. Up your game by adding a contrasting flange at the same time as your machine binding. Also learn about self-mitering binding from the backing.

Supply list

- Supplies and Equipment needed
 - kit of small mats (provided)
 - Sewing machine with thread & bobbin
 - Walking foot if you have one
 - small scissors
 - Ruler, rotary cutter
 - pins and/or quilt clips
 - 2 ½ - 3 inch scraps if you have them. I will bring some too. (if you bring a project to class, I can help you choose binding fabric)
 - A couple of small projects sandwiched and quilted (but not bound or even trimmed)
