

Reversible Table Runner – Quilt As You Go

Supply List:

- Pattern “Reversible Quilt As You Go Table Runner”
- Supplies as listed on pattern back or below:
 - Rotary Cutting Mat, Ruler and Cutter (don’t need to bring if you pre-cut all fabric and batting – I strongly recommend you pre-cut!)
 - Sewing Machine with **walking foot (very important)**
 - Duck-billed appliqué scissors (optional – regular sewing scissors will work too)
 - Quilter’s pins
 - Black frixion pen or temporary marking pen that will show up on your fabric
 - Good quality cotton thread to match all your fabrics or to contrast if desired
 - 1 yard piece of 100% cotton batting similar to Warm & Natural or Quilter’s Dream Select (this will be cut into 3” or 5” strips so leftover pieces from other projects can be used.)
 - Fabric for **each side**:
 - 4 colors at ¼ yard each for block strips around center (fat quarters will work)
 - 5/8 yard for block centers, sashing and binding

Please cut fabric and batting according to pattern instructions prior to class.
