(as of 3/16/21)

Supply List
Day Tripper Bag
by Kerry Green of Kerry Stitch Designs
Class Taught by Gretchen Reil
gnreil@frontiernet.net, 208/462-4028

For the first and last class only (April & October)

Sewing machine with new needle (don't forget the foot pedal, power cord and instruction manual)

General Sewing Supplies, including pins

Rotary cutter and ruler (mat not necessary)

Walking foot (if you've got one) or ¼" foot

Machine sewing thread, burgundy red (I've asked the shop to order a specific, matching thread for the bag finishing and hope they have it in by the first class for you)

Applique Supplies for every class*

Note: If you are new to wool applique work, please don't buy anything before class. You need to see the supplies and try them out. Some are optional. So, bring what you have.

Applique pins

Freezer paper (just April, May & June, you don't need a very big piece)

Pencil or fine point permanent pen, such as Sharpie ultra fine point

Needles: Chenille 24 and 22, Milliners 1 and/or Tulip Bullion Knot,
Tapestry 22 or 20

Chalk pencil or Frixion pen

Thread snips

Sharp scissors to cut wool fabric

Needle threader, optional

Thimble, optional

Small see-through ruler (I like my 1" x 6")

Purple Thang, optional

Pearl cotton thread, size 8 for practice, just need one, any color

Wool scrap to practice stitches, approx. 6" square, any color

***15% off all purchases day of class, except for the monthly BOM kit.**

Returning students: Bring your wool, Silken Pearl and Thread Gatherer threads (no Valdani for this project, except for practice). And remember your thread lists.

Note: I won't be wearing a mask in class, but I would be able to wear one when I sit next to someone to demo a stitch, if requested. Bring your mask for the same situation.
