Assembly

1. Begin block assembly by creating flying geese units. Place (1) C triangle on either side of (1) B triangle as shown.
2. Sew the C triangles to the B triangle one at a time using a scant ¼" seam. Press toward the corners.
3. Trim large flying geese units to measure 2" x 3 ½" unfinished. Repeat to make (16) identical flying geese units.

4. Continue block assembly by laying out all flying geese units, (4) A squares, (4) B rectangles, (4) D squares, (1) E square, and (4) F rectangles as shown. Begin assembling the block in (5) horizontal rows. Arrows indicate pressing instructions.
5. Sew all horizontal rows together to complete block assembly. Press. Block should measure 12 ½" x 12 ½" unfinished.

Be sure to share your block and progress online!
