June 27th	Tournament Starts -	Weather pending		

1. All bats must have the 2012NSA or 1.2 BPF -USSSA bat stamp. No stamp - no good. A out will be called for bat bats entering the batter's box. Men's league must swing real wood. Baseball bats are approved.
2. Home run rule will be a one up rule. When a HR is hit in a non allowed time it will be dead ball **out**.
Women homeruns are unlimited.

3. Line Drives up the middle that hit the pitcher (over or in front of the pitching plate) will result in a dead ball out. A short-hop will be considered the same as a line drive. The pitcher must have time to react. A pitcher gloving a ball in self defense will also be considered as an out. 4. Home team is listed first.
 5. Rosters freeze May 23rd. No roster, your season ends.....
Illegal players will result in forfeit of the night. Rosters are on site to add, up to the 23rd.
The umpire will enforce this rule without request of opposing team.
 6. Games are 7 innings. Only 1 extra inning will be played. Then the game will end tied.
 7. Need at least 6 players present to play. Present at game time.
 8. If a man walks he will go to 2nd base. The female batter will bat, unless there are 2 outs. Then she will have the option to walk or bat.
 9. You need team shirts with a number by May 10th. A point per non- uniformed player. This will be enforced by the umpire at the start of the game. Neither team will have an option to decline the runs.
 10. With a female batter, outfielders must stay behind the white line until the ball is hit. Infields must be on the dirt. Male batters, the defense can play anywhere.
 11. No smoking, drinking or bringing dogs to the park. E- cig is considered smoking. A second violation of this rule will result in forfeiture of post season play. Also include a good old visit with Matt, prior to your team returning to the park.
 12. League play general rules will be governed by modified baseball rules.
 13. Foul balls. A batter may hit a foul ball for strike two. The following foul will be an out.
 14. Strike zone is at the discretion of the umpire. Come to hit. Ball shall raise at least 6 feet and not above 12 feet. Come to hit, walking Stinks.
- Note: Chase your fouls balls and Homeruns. Game balls are limited to 2 per game. We can raise fees, if you don't want to retrieve balls. Let me know.....

Note #2: Leave the umpire alone. Slow pitch softball is not that challenging or important enough to embarrass yourself.
