Message (200 Word Maximum):

I am Paul Taylor! I was born and raised in Spanish Fork and have lived in Salem for the last 18 years. My wife, Abbie and I have three kids. We have loved living in Salem and knew from the very beginning that here is where we wanted to raise our family. I love being able to sit on my porch during the summer nights and listen to the crack of the baseball bats followed by the screaming of fans! I served as a member of the Planning and Zoning Commission from December 2020 to June 2023. I have thoroughly enjoyed being able to make a difference within my community thus far and hope to continue as a member of council. I look forward to serving our community and the citizens of Salem.
