Salem has been my home for the last 54 years. I feel it is my time to give back to this amazing community that has given me so much. I have been a Licensed Real Estate agent for the last 32 years. My parents are Larry & Charleen Vest. I graduated with high honors from Spanish Fork High school in 1979, and Stringham's School of Real Estate in 1991. I am married to Sterling Rees and we are the parents of 6 children and 16.5 grandchildren. I have served in many leadership positions over the years within my church. I served on Salem City's Economic Development committee in 2011. I love supporting my grandchildren in all that they do, working in my home and yard and traveling to visit our children who live away. It would be a pleasure to serve the citizens of Salem and be a part of positive changes. I would love your support and consideration on Election Day.
