RESOLUTION 71520B

A RESOLUTION AMENDING ELECTRIC UTILITY RATES

WHEREAS Salem City owns and operates its own electric power distribution system;

WHEREAS the City must generate sufficient revenue from its electric rates to purchase the power it buys and also to provide for operation and maintenance of the system;

WHEREAS power costs have risen in recent years and additional sources of electric power are needed to meet the needs of a growing population; and

WHEREAS, as a member of Utah Municipal Power Agency (UMPA), Salem has been

able to hold rates below the inflation rate and has rarely adjusted electric rates;

NOW, THEREFORE, be it resolved by the Salem City Council as follows:

Section 1. Rate Changes. The electric utility rates charged to customers of the Salem City electric system shall be as follows:

- 1. Each residential electric customer up to a 400-amp service shall pay a customer service charge of \$11.11 per month, plus a usage charge as set forth herein.
- 2. Each residential electric customer with a 400-amp service or larger shall pay a customer service charge of \$20.20 per month, plus a usage charge as set forth herein.
- 3. The electric power usage rate for all residential customers within Salem City is shown in the following table:

<u>kWh Usage</u>	<u>Rate per kWh</u>
First 500 kWh	\$0.08939
501 - 999	\$0.10538
1000	\$2.53 (additional base rate)
1001 - 1499	\$0.12701
1500	\$3.54 (additional base rate)
over 1500	\$0.13607

- 4. The electric power usage rate for all residential customers without Salem City (County residents) is shown in the following table:

<u>kWh Usage</u>	<u>Rate per kWh</u>
First 500 kWh	\$0.10011
501 - 999	\$0.10946
1000	\$2.59
1001 - 1499	\$0.13195
1500	\$3.64
over 1500	\$0.14137

5. Each commercial electric customer without a demand charge shall pay a customer service charge of \$20.20 per month, plus a usage charge as shown in the following table:

<u>kWh Usage</u>	<u>Rate per kWh</u>
First 700 kWh	\$0.0802146 (within City limits)
First 700	\$0.0911170 (without City limits)
Over 700	\$0.1204977 (within City limits)
Over 700	\$0.1368757 (without City limits)

6. Each commercial electric customer with a demand charge shall pay a customer service charge of \$49.49 per month and a demand charge of \$11.10 per kW, plus a usage charge as shown in the following table:

<u>kWh Usage</u>	<u>Rate per kWh</u>
First 3000 kWh	\$0.0370066
over 3000	\$0.0506136

7. Each industrial electric customer shall pay a customer service charge of \$111.10 per month and a demand charge of \$11.60 per kW, plus a usage charge of 0.03477 per kWh.

Section 2. Repealer. This resolution repeals all prior resolutions which establish electric rates. All existing due dates, late charges and other rules and regulations relating to power rates shall remain in effect and are not modified by this resolution.

Section 3. Effective Date. This resolution is effective for the September 2020 usage and billing.

DATED: July 15, 2020

KURT L CHRISTENSEN, Mayor

Attest:

JEFFREY D. NIELSON, City Recorder
