

Bruce Elliott

My wife, Kate, and our 8 children have lived in Utah for many years and have always loved the City of Salem. Since making our home here, I have tried to serve in the community and feel it is important to help keep Salem the beautiful, friendly, safe and caring community that it is.

I have worked as an educator for 25 years. For the last 17 years, I have worked for Nebo School District. I received a Bachelor's degree in Political Science and later a Master's degree.

Salem is growing very quickly. As a member of the city council, I would strive to assure that Salem's growth falls in line with the values of the community. I want to assure that the children and families in the community have adequate recreation facilities as well as continue to have beautiful parks and trails. I will work to maintain the hometown atmosphere that sets Salem apart from other communities in the county. I pledge to work with all the community stakeholders and listen to the voices of the citizens of Salem. I will work to help solve any community challenges and will advocate to keep Salem "Our Hometown."
