

Jason Stewart was raised here in Salem. He has been fortunate to raise his family with his wife Kim for the last 16 years in our community. Together they have 4 boys, a daughter in law, and two grandchildren who are all a part of our Salem community.

Through the years, Jason has been highly involved with the youth in our community. He has coached city league sports, accelerated basketball and was on the Salem Hills High School Football coaching staff.

As we are all aware, Salem is growing. Making sure that Salem grows in a responsible way is Jason's priority. Jason would like Salem to be a place where our future generations can afford to live and raise their families as he has been able to. In order to grow responsibly, Salem needs to have the resources, infrastructure and businesses to support that growth and keep the hometown feel that all Salem residents love and appreciate.
