Salem Residents,

Under the direction from the Salem City Council, students at the Advanced Learning Center (located in Salem) created a new logo for Salem City. We thank them for their service and the effort they put into this new design. The new logo will be seen on City vehicles and advertising. What a great and personal job they have done!

SALEM YOUTH COUNCIL—A huge thank you to everyone who came to our valentines dinner! We had a wonderful turnout!! We love to honor and serve our amazing seniors. This month we have a leadership conference coming up. Some of us will be heading off to Logan for a few days to learn how to be a leader. We are very excited to go! We can’t wait to learn some new skills and meet new youth who serve in their own communities.
