MAYOR'S MESSAGE

This month Salem City is conducting a survey. I would encourage every household to fill it out and return it to the City Office. The results will influence decisions made by the Council and staff. Salem City is growing and we would like your input on the direction you feel the City should be going. We appreciate those of you who have taken the time to attend our General Plan open houses. I can tell you, your comments and concerns have influenced several recent decisions. We hope to have the new General Plan in place in the next couple of months. We love Salem and want to continue to have the quality of life we all enjoy. Thanks to all of you!

Sincerely,

Mayor Kurt Christensen

Please return surveys to the City Office by Monday, April 1, 2019. Thank you.

As a reminder, Salem City is able to notify residents in case of an emergency situation (i.e. Sandy City and their contaminated water situation). Please make sure we have a good phone number (preferably a cell number so you can get text messages (we can have up to two phone numbers per account)). Also a good email address. You can verify your phone numbers we have on your utility bill, if it is not correct go to our Web Page (www.salemcity.org) to send us your contact information (update Emergency Contact Information).

We appreciate your support!

**Salem Youth Council**

We had an amazing Senior Valentine Dinner this month. We had a great meal and entertainment! Thank you to everyone who came to that. It was a lot of fun. In March we will be doing service around Salem. This is my last month as SYC mayor. I've really enjoyed my time being mayor. I've loved serving my community and helping the rest of Salem Youth Council do the same. We are excited to welcome in a new mayor next month and wish them the best of luck!
