

Meet Kelly Peterson: Kelly is a lifelong local resident whose family helped settle this valley. He is married and has two children and one grandchild.

As a voter this election you should consider that your city council will be facing the greatest growth this city has ever seen. Experience and work ethic will matter when addressing these challenges. Kelly recently retired from a 35-year career with Spanish Fork City and was the head of the Electric Department. He oversaw the city's largest single budget (larger than Salem's entire current budget) and served on numerous boards and committees. Kelly knows how effective cities work and operate.

As your councilman you will have a hard-working, honest, and knowledgeable representative. Kelly is running to serve you and all the residents of Salem, but he is also thinking to the future. Not only will your vote for Kelly serve you now, it will also serve your children and future generations.
