Salem City is doing Vote by Mail this year. Ballots were mailed out on October 17th to registered voters. If you have not received your ballot yet, you may come down to the Salem City Office on Tuesday, November 7th from 7:00 a.m. to 8:00 p.m. where there will be a voting service center to help you. If you would like to vote then, you are welcome to vote on that day, but the process will take a little bit longer, as you will be voting provisionally. You will also need to provide both ID and proof of residence.

If you have received your ballot, after you have filled it in, you can either mail it back to the county (must be post marked before November 6th), drop it off at the city office (during office hours and before November 7th) or bring it into the voting service center on Tuesday November 7th. The county has recommended to get your ballots in early.

Results from the election will be available on the City Web Page after November 7, and updated as the information becomes available from the county.

The final canvass of the election count will be held on Tuesday, November 21, 2017.

For Information on the candidates please visit the Salem City web page, salemcity.org or visit vote.utah.gov

Storm Drain: The gutter in the street outside your home carries water into a network of storm drains that lead to local water ways. Storm drains are separate from the sanitary sewer system, which handles wastewater from our sinks, tubs and toilets. Unlike wastewater, storm water is not treated at a sewage treatment plant. Storm water goes directly from the storm drainage system into our local water ways.

Miss Salem’s October Message:

SHOES WANTED

Hello, it’s Brylee Ivers- Miss Salem here again! This month I wanted to get the word out for my shoe drive. In June of 2018 I will be competing in the Miss Utah pageant. Our mission as Miss Utah contestants is to each collect 1,000 pairs of shoes from our surrounding communities, and I need YOUR help, Salem!

NEED?
Shoes! Shoes! Shoes! In any style, size, and condition.

WHY SHOES?
These shoes are donated to the Power to Become nonprofit that sells the shoes donated to recycling companies. The money that is then received, is used to help those in Burkina Faso, Africa. The money is used to dig water wells, build villages, and help those less fortunate!

WHERE?
There is a bin located in the city office building that is available for drop off.
Thank you a million times in advance!

Brylee Ivers
